### The benefits

- Presentation on the web-sites [www.golfparadise.com](http://www.golfparadise.com), [www.golftraveller.net](http://www.golftraveller.net) and [www.golfhotel.net](http://www.golfhotel.net) The sites interact with each other but are marketed separately.
- Rise in direct hotel bookings with no commission. New customer details can be used for your own marketing campaigns or mailings
- A booking button appears on each and every page of the presentation.
- This links directly to the hotel online booking system or page.
- Double booking opportunity: Alternatively we provide a free email service of all inquiries and bookings for your hotel for those inquiries coming through our Website.
- Presentation on a trusted, well-known web-platform in the German-speaking golf and business world with direct contact to the select target markets.
- [golfparadise.com](http://golfparadise.com) visitors represent the “upper crust” of society. They are opinion multipliers and leading figures in Businesses and Markets and enjoy appropriate incomes. Almost every one of our visitors is therefore a potential guest in your establishment.
- Figures are rising: Golf in Germany, Switzerland and Austria is one of the fastest-growing sports. Our growing number of monthly visitors to the web-site reflects this fact.

Hotel chains : we offer greatly reduced rates to hotel chains or co-operations. Search functions and interlinking of all hotels in the chain are an integral part of our “bulk order” offers. Please request a quotation based on the number of hotels in question.
